BEAUTIFY & DIVIDE

Privus Design is proud to offer top-of-the-line privacy screens to beautify your clients' interior and exterior decor. Created at our plants, from design through to production, we ensure a high-quality product, made with precision by highly qualified and experienced people.

GEOMETRIK COLLECTION

ARROW

SIZES UP TO 75" x 143"

No matter the size, color or material, all of our panels can be installed in your interior and exterior, residential or commercial spaces.

MORE THAN
200 COLORS

Bringing a very distinctive touch, our products are available in a wide variety of colors (RAL chart) realized using an eco-painting baked powder process.

DURABLE
MATERIALS

Our sustainable and durable materials provide long-lasting benefits and many years of enjoyment. We often work with wood; plastic; acrylic; aluminum; raw steel and Corten steel; copper; and slate.

CUSTOMIZE
YOUR PROJECTS

Dedicated to offering you the product of your dreams, the Privus Design team will be happy to transform your ideas into exceptional products. A manoeuvrable technology, the water jet cutting enables us to create unlimited designs and even tailor-made panels to fit your specifications.
